About Me

Passionate Computer and Communication Engineering student with strong interests in full-stack development, Linux systems, and modern web technologies. Skilled in React, JavaScript, MERN Stack, Linux systems, and system administration concepts. Continuously learning through hands-on projects, internships, and technical exploration.

Education

Higher Secondary School

Veludaiyar Higher Secondary School
2022 - 2024
Percentage - 87.33%

Bachelor of Engineering

Sri Sairam Institute Of Technology
2024 - 2028
Current CGPA - 8.76

Skills

- Python
- MERN Stack
- React.js
- Node.js
- MongoDB
- Express.js
- Git & GitHub
- Linux
- Docker
- Networking
- REST APIs
- Socket.IO

Languages

- English
- Tamil

Experience

NPTEL INTERN (MERN)

Jan 2026 - Mar 2026

IIT ROPAR

- Completed a 10-week internship focused on MERN stack development
- Worked on full-stack development concepts and RESTful API architecture.
- Stipend: ₹10,000

Linux System Administration Intern

Jan 2026 - Feb 2026

Vectra Technosoft Pvt. Ltd.

- Studied Red Hat Enterprise Linux system administration concepts
- Performed Linux administration tasks involving user management, permissions, package management, and system configurations
- Applied RHCSA concepts through hands-on system administration exercises and lab environments

Projects

QUIZPULSE - REAL-TIME QUIZ PLATFORM

2026

- Built a multiplayer quiz platform using React, Node.js, MongoDB, and Socket.IO
- Added OTP authentication, live quiz sessions, real-time scores, and admin dashboard features
- Containerized the application using Docker for development
- GitHub: github.com/NAVEENKUMAR-T-GIT-28/QuizPulse
- Live: quizpulse-live.vercel.app

Developer Portfolio

2026

- Built a fully responsive portfolio with glassmorphism aesthetic and smooth Framer Motion animations.
- Used JSON-driven modular architecture for maintainability and easy content updates.
- GitHub: github.com/NAVEENKUMAR-T-GIT-28/Portfolio
- Live: naveenkumart.portfolio.vercel.app

CERTIFICATION

RHCSA (RED HAT CERTIFIED SYSTEM ADMINISTRATOR)

- Successfully completed RHCSA training with hands-on Linux system administration experience
- Strong understanding of Linux administration, command-line operations, user management, and troubleshooting
- Score: 300/300
